CHIC OBSESSIONS

Satiate your discerning taste with this delectable feast of exclusive designs.

⑥

⑤

1. Known as the world's leading designer and manufacturer of handmade Tibetan and Armenian carpets, Tufenkian also sets the standard for worker welfare, social responsibility and environmental preservation. Sley Charcoal. Handmade of Tibetan wool. Price upon request. tufenkian.com

2. Schriber House is an architectural work of art in Los Angeles, CA, represented by Hilton & Hyland, a Luxury Portfolio International™ member. Architect Frank Gehry transformed this residential property into a unique masterpiece. Priced at \$13,000,000 USD. luxurypartfolio.com. Search WEB ID: SXAZ8

3. Collection designed by Pierpaolo Seguso. These pieces were inspired by an archival design from Seguso Vetri di Arte. Characteristic of the Pulegoso practice, this vase showcases several distinctive Murano glass techniques. Price upon request. danghia.com

4. Finished in decadent caviar stain, the Manning Bar boasts architecturally inspired lines and a sophisticated mix of materials: smooth ash veneers, polished stainless steel, and clear and white glass. Features adjustable shelves and removable wine racks. 34" w x 18" d x 40" h. Priced at \$1,620. nglshome.com

5. Xelo is an innovative floor support, suitable for supporting plasma/LCD monitors of up to 50 inches. Xelo aims to bring together functionality, safety and design. The curving lines and bright colors make this an object with an original design. centoni.com

6. Thanks to two fully functional center drawers flanked by additional storage, Twenty-One vanity offers Rat Pack style for Pack Rats. Built using formaldehyde-free woods and low VOC paints, the design can be fitted with natural-stone countertops from Artistic Tile. waterfallbath.com
